Exhibit Shipping/Storage/Maintenance

US Express offers economical exhibit shipping, storage and maintenance services that allow you to retain control. Our climate controlled, electronically monitored warehouse is able to handle any storage needs regardless of weight or dimension. We'll post your individual inventory online where you can view and monitor its status through our secure web portal. You have the freedom of choosing items from your inventory at your convenience and we'll get them to you that same day if needed!

You can store all your printed material, handouts, and other collateral to be integrated into your exhibit structure for shipment to your scheduled events, or we will pick up from any other location. Marrying your exhibit shipments prior to arrival at show site saves you money on drayage and material handling.

Whatever your needs demand, let US Express take the hassle out of your storage, maintenance, and shipping needs.

US Express Exhibit Shipping, Storage and Maintenance service includes:

- Exhibit Shipping
- Show to Show Shipping
- Tradeshow Schedule forecasting
- Exhibit warehousing
- Online inventory management
- Inventory inspection and parts and repair
- Online ordering
- No size limitation

Tradeshaw Management

US Express Freight is a full service organization for tradeshaw management and has been transporting tradeshaw material for over 25 years, for any size company. We can handle advanced warehousing and act as the Official Show Air and Ground Shipper, including manifesting of all in bound materials from show management and exhibitors. By providing personalized service and excellent communication between all parties, US Express will ensure the success of your event. This includes items such as pipe and drape, electrical, computers and more. We will make a courtesy call to each of your exhibitors to make sure they have made arrangements to get to and from the show.

We can also forecast dates for pickups for shows to make coordinating your tradeshaw schedule much easier for your company. With our automatic e-mail notification we will notify you the day before to remind you of pickups and will update you automatically as your shipment moves through our system all the way through to delivery.

US Express tradeshaw and exhibitor services include:

- Advance warehousing
- Official shipper for air or ground
- Tradeshaw decorator
- Tradeshaw forecasting
- Online tracking
- Electronic warehousing management
- E-mail notification
- Domestic and International
- Show to show shipping
